

# St Peter's C of E Primary Academy Mansfield

Pupil Premium Strategy 2024 - 2027

September 2024 - September 2025

## Pupil premium strategy statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

### School overview

Detail	Data
Name of school	St Peter's C of E Primary Academy Mansfield
Number of pupils in school	188
Proportion (%) of pupil premium eligible pupils	45.7% (86 pupils)
Academic year/years that our current pupil premium strategy plan covers ( <b>3 year plans are recommended</b> )	2024-2027
Date this statement was published	September 2024
Date on which it will be reviewed	July 2025
Statement authorised by	James Marshall, Headteacher
Pupil premium lead	Joanna Kaluza
Governor / Trustee lead	Donna Wilson

### Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£110,000
Recovery premium funding allocation this academic year	£0
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
<b>Total budget for this academic year</b> If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£110,000

## Part A: Pupil premium strategy plan

### Statement of intent

*Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.*

*We will consider the challenges faced by vulnerable pupils, such as those who have a social worker, young carers or SEMH needs. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.*

*Quality First Teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.*

*Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:*

- ensure that pupils are in school using a range of strategies;*
- ensure disadvantaged pupils are appropriately challenged in the work that they are set;*
- act early to intervene at the point need is identified through early SEND intervention (Educational Need), through the Early Help team (Social Need) and/or in EYFS unit;*
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.*

### Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our attendance data over the last year shows that attendance amongst disadvantaged pupils was 91.6% - 3.3%% lower than for non-disadvantaged pupils.  25% of disadvantaged pupils have been 'persistently absent' compared to 14% of their peers during that period. Our assessments and observations indicate that absenteeism is negatively impacting disadvantaged pupils' progress.
2	Pupils eligible for PPG are less likely to attain national benchmarks in reading.
3	Pupils eligible for PPG are less likely to attain national benchmarks in writing.
4	Pupils eligible for PPG are less likely to attain national benchmarks in maths.
5	Pupils eligible for PPG are more likely to need PSED support.
6	Pupils eligible for PPG are more likely to be excluded.
7	Pupils eligible for PPG are more likely to exhibit low level disruptive behaviours.
8	Assessments, observations, and discussions with pupils indicate underdeveloped oral language skills and vocabulary gaps among many disadvantaged pupils. These are evident from Reception through to KS2 and in general, are more prevalent among our disadvantaged pupils than their peers.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Pupils eligible for PPG attend regularly and punctually.	Attendance data for disadvantaged pupils is in-line with other pupils.
Data shows that pupils eligible for PPG are closing the attainment gap with other pupils in reading.	Progress in reading assessments for disadvantaged pupils is accelerated. Accelerated Reader shows that pupils are on track to be reading stage appropriate books regularly.
Data shows that pupils eligible for PPG are closing the attainment gap with other pupils in writing.	Progress in writing assessments for disadvantaged pupils is accelerated. Pupils' writing work books show clear progression through the year.
Data shows that pupils eligible for PPG are closing the attainment gap with other pupils in maths.	Progress in maths assessments for disadvantaged pupils is accelerated.
Pupils who have significant social and emotional challenges can regulate their emotional behaviours.	Progress in Boxhall profiles. Progress in Forest School assessments.

	Reduction in fixed term exclusions.
Teachers use effective classroom management strategies to support good classroom behaviours.	<p>Effective classroom management can reduce challenging behaviour, pupil disengagement, bullying and aggression.</p> <p>Improving classroom management usually involves intensive training with teachers reflecting on their classroom management, trying a new approach and reviewing their progress over time.</p> <p>Reinforcement programmes based on pupils gaining rewards can be effective when part of a broader classroom management strategy.</p>
Pupil oral language skills improve and the gap is closing with other pupils.	Progress in SLCN assessment.

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

## Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £56,889

Activity	Evidence that supports this approach	Challenge number(s) addressed
Release time for Deputy Headteacher to ensure Quality First Teaching and Pupil Premium Champion	Principles outlined in the Improving Literacy in KS1 / KS2 EEF documents Coaching and mentoring from TFW lead.	2, 3
Zones of Regulation training for all staff	Research from the Zones of Regulation is built upon neuroscience and cognitive theories to develop social and emotional learning, positive mental health, wellness, cognitive behaviour therapies, polyvagal theory and neurodivergent learning.	5, 6
1, 2, 3 Magic training for all staff	Bailey, van der Zwan, Phelan, & Brooks, 2012; Bradley et al., 2003; Flaherty & Cooper, 2010; Porzig-Drummond et al., 2014) all cited significant short-and/or long-term improvement in behaviour of children from 2-16 years of age	7
Maths CPD	Principles outlined in the EEF documents Improving Mathematics in	4

<ul style="list-style-type: none"> <li>- Mastering number training for EYFS and KS1</li> <li>- Maths Hub CPD for Maths Lead</li> </ul>	Early Years and Key Stage 1 and Improving Mathematics in Key Stage 2 and Key Stage 3.	
Forest School Provision	Principles outlined from the Forest Research, Forest School develops: confidence; social skills; communication; motivation; physical skills.	5, 7
Trauma Informed Schools training	Social and emotional Learning EEF Toolkit +4 months Recommendation 4 from EEF <i>Improving Behaviour in Schools</i> document	5, 7
Read Write Inc development days and release time for phonics lead	Phonics EEF Toolkit +5 months	2

### Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £29,851

Activity	Evidence that supports this approach	Challenge number(s) addressed
Switch On Reading	Switch on Reading EEF Toolkit +3 months	2
Read Write Inc	Phonics EEF Toolkit +5 months	2
Reading Comprehension	EEF Toolkit +6 months	2
Language Link	Communication and Language Approaches EEF Toolkit +7 months	8
Catch up numeracy	EEF Toolkit +3 months	4

### Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £23,260

Activity	Evidence that supports this approach	Challenge number(s) addressed
----------	--------------------------------------	-------------------------------

<p>Embedding principles of good practice set out in the DfE's <a href="#">Improving School Attendance</a> advice.</p> <p>This will involve training and release time for staff to develop, implement new procedures to improve attendance and rewards for attendance.</p>	<p>The DfE guidance has been informed by engagement with schools that have significantly reduced levels of absence and persistent absence.</p>	1
<p>Trauma informed schools training.</p>	<p>Recommendation 4 from EEF <i>Improving Behaviour in Schools</i> document</p>	5,6
<p>Rewarding positive behaviour</p>	<p>Reinforcement programmes based on pupils gaining rewards can be effective when part of a broader classroom management strategy.</p>	5,6, 7
<p>ELSA provision</p>	<p>More specialised programmes which use elements of SEL are targeted at students with particular social or emotional needs.</p>	5, 6

**Total budgeted cost: £ 110,000**

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

*In Year 1, non PP children are attaining higher than non-PP children in reading, writing and maths.*

*In Year 2, non PP children are attaining higher than non-PP children in reading, writing and maths.*

*In Year 3 children eligible for Pupil Premium attain higher than non PP children.*

*In Year 4, at the end of the summer term, non-PP children are attaining higher than PP children in reading and maths.*

*In Year 5, at the end of the summer term, non-PP children are attaining higher than PP children in reading and are broadly in line for writing and maths.*

*In Year 6, at the end of the summer term, non-PP children are attaining higher than PP children in reading, writing and maths.*

#### Year 1 Phonics

<i>All children</i>	<i>46.7% passed</i>
<i>PPG children</i>	<i>16.7%</i>
<i>Non PPG children</i>	<i>66.7%</i>

*From analysis whole school data, attendance is the biggest barrier to children not making good progress.*

Attendance Headlines						YEAR TO DATE	4 Sep 23	- 19 Jul 24

## Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider

## Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	
What was the impact of that spending on service pupil premium eligible pupils?	

## Further information (optional)

*Use this space to provide any further information about your pupil premium strategy. For example, about your strategy planning, or other activity that you are implementing to support disadvantaged pupils, that is not dependent on pupil premium or recovery premium funding.*
